Mr. Whipple,

I am interested in the Substitute CROP Site Coordinator position. I have covered this position for the past several years and have greatly enjoyed it. I am also interested in substituting as an Activity Leader during the school year. I enjoy working with the students and believe the CROP program is very important for the students and their families.

Thank you for your consideration.

Mr. Harter,

I am very interested in the School Tax Collector position for the 2022-2023 school year. I previously held the School Tax Collector position for ten years. I would enjoy and appreciate having the position again. I have worked with other tax collectors, mortgage companies, Real Property Offices, Treasurers Offices, Law Offices, etc., and have a good working relationship with all as well as the taxpayers. All of these continue to call my phone extension for school tax related questions.

I have the experience and knowledge to make an easy transition to having a different School Tax Collector for the future.

Thank you for your consideration.
