M. Moyse said that Mr. Harter did a nice job on the budget as well as the audit. He also mentioned that it would be nice to see a greater representation of teachers at the CVCS sports events. The question was raised if parents can come into the school and meet with a teacher. They need to make an appointment. Also raised was the question on the school's policy for parents not talking with coaches until at least 24 - 48 hours after a game regarding their child. There is no official policy it is more of a practice. M. Moyse asked if this could be addressed.
