**Principal's Report**: Mrs. Kelly Coons and Mrs. Deb Moorby gave a presentation regarding AIS for both Elementary and High School. There was a review of last year's progress as well as a plan for next year for students still requiring AIS.

Principal report

**Superintendent's Report**: Mr. Whipple gave a presentation regarding the upcoming building project. He discussed the potential scope of work as well as the associated costs. The cost to do all work on the scope at this point would be well above the threshold of a project with no tax impact on the taxpayers of the District. The discussion was had to eliminate and change some of the scope to reduce the cost. There will be a planning meeting next week where some alternatives will be discussed.

Superintendent report

The Principal interviews were today. There were approximately 25 participants. There was great feedback from the three panels and Mr. Whipple will make a decision once he reviews the feedback and does reference checks.

Delaware Academy will be voting to approve the modified football merger that was already approved at a previous CVCS BOE meeting. Mr. Whipple asked the Board what their stance is going forward when it comes to sports mergers such as this. They will be discussing this in the future.
