Superintendent's Report: Mr. Whipple reported the following:

Superintendent Report

The Capital project vote was approved. In the next 7 to 10 days we will be starting planning meetings. We are hoping to submit to the state by July and would then be going out to bid approximately December or January.

The water issue that occurred before break was due to a break in the line directly in front of the school. There was water at the school but not enough to be able to flush toilets which required the use of an emergency day. The break was found and repaired quickly due to the help of several staff and community members. Mr. Whipple thanked Mr. Paul Moller, Mr. Paul Garrison, Mr. Joe Dianich and Mr. Fred Utter as well as everyone else involved in helping get the problem solved quickly.

Mr. Whipple expressed to the Board that he feels the School should look into Emergency Preparedness for future emergencies that may occur. This discussion will continue at a later date.

Half of the 2022 Capital Outlay Project was completed over Holiday break. The other half will occur during winter break. This included replacing flooring in two of our elementary classrooms.

We are working on Budget development with each department. The Governor has said that she will fully fund Foundation Aid for schools. We are optimistic that this will happen but will not know for some time yet.

Principal's Report: Mrs. Davis updated the Board on all of the December events as well as upcoming events for January.

Principal's Report

In December, we had elementary and high school concerts, Crop put on a play for parents, staff had a door decorating contest, we helped out numerous families with gifts/food for the holiday season, and the annual mentor luncheon took place.

In January, regents will be taking place the 4th week of January. We will also have the annual Principal luncheon. We will be taking approximately 40 students to Brooks Barbecue.

On a motion by M. Moyse and seconded by J. Ballard, the Board approved the following:
