Charlotte Valley Central School

Dear Scott,

Thank you so much for your recent donation resulting from bottles and cans collection. It is very inspiring to hear that the Charlotte Valley Central School has students that care about the environment.

I want you to know that **your decision to support Rainforest Foundation US does make a difference.**

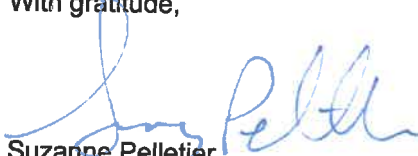

Your donation will help indigenous peoples on the ground in Central and South America to protect the rainforests, rivers, plants, and animals that they depend on. These rainforests are also vital to all of us because they absorb vast amounts of carbon, produce oxygen, generate fresh water, and provide habitat to countless species of animals.

The stakes have never been higher, especially in the Amazon. We are convinced that we can help stop the destruction, but we must act boldly, and quickly. Your contribution helps us do just that. Whether you care about human rights, biodiversity, or mitigating the climate crisis, now is the time to roll up our sleeves and get to work!

Scott, thank you again for taking a clear stand for the forests, their peoples, and the planet.

If you have any questions or comments, please don't hesitate to contact me directly at spelletier@rffny.org.

With gratitude,

Suzanne Pelletier
Executive Director
