

# **Charlotte Valley Central School Senior Privileges**

## **Class of 2023**

### 1) Purpose

- To provide members of the senior class with the opportunity for increased freedom.
- To entrust the members of the senior class with increased responsibility.
- To reward the senior class members for their positive impact at Charlotte Valley, not only with their intelligence, but their character as well.

### 2) Privileges

- Being a senior is a right but privileges are not. We think that there are certain standards that need to be followed in order to obtain these privileges.
- Privileges should be treated like sports.(People on the deficiency list or people who cannot follow the rules should not have privileges granted to them.)
- Seniors may come to school late if they have a study hall first period.
- Seniors may walk to the Quickway for lunch any day of the week as long as they sign out at the office. Students may not drive.
- Seniors may eat outside on the picnic tables.
- Seniors are allowed to go to a designated area or a senior lounge after letting the study hall teacher know where they are going (once one becomes available.)
- Seniors may use their phones for the whole period of a study hall if they are unable to sign out to a senior lounge.

### 3) Requirements of Students

- All students who partake in the aforementioned privileges must be a member of the graduating senior class, must be passing all their classes, and must be free and clear of all disciplinary issues. Any student who does not meet these requirements will lose their right to Senior Privileges.
- All students must sign, and have their parent/guardian sign, a senior privilege consent form in order to partake in the senior privileges listed above.
- In order to leave school grounds, the senior must sign out with the main office and must have permission from the parent/guardian.

**Parental Consent for Senior Privileges**

I acknowledge that I have received and reviewed a copy of the Senior Privileges. I understand that a student participating in this program may not be supervised by school personnel, and I will encourage my son/daughter to follow the rules as they are stated, with the understanding that privileges may be revoked at the principal's discretion.
